PROFESSIONAL SUMMARY

Supply Chain and Logistics Coordinator with experience in transportation operations, inventory control, fleet asset management, and domestic/international shipping. Skilled in multi-carrier logistics, transportation documentation, ERP systems, and process improvement with a proven record of increasing shipment performance and operational efficiency.

PROFESSIONAL EXPERIENCE

Fleet Specialist | Hertz Corporation | Feb 2025 - Nov 2025

- Managed fleet readiness, inspections, registrations, and asset onboarding using EAM software.
- Improved asset utilization through VAW analysis and repair coordination.
- Directed lot logistics, inventory control, and vehicle staging using handheld scanners.
- Scheduled vehicle transfers and maintained 100% asset location accuracy.

Logistics Coordinator | STS Refill Technology | Jun 2022 - Jan 2025

- Audited BOLs, packing slips, customs documents, and invoices for domestic and international shipments.
- Processed UPS, FedEx, DHL, and LTL shipments across multi-carrier networks.
- Coordinated resolution of transportation disruptions with carriers and suppliers.
- Increased on-time departed shipments by 15% through cross-training initiatives.
- Maintained inventory integrity and recommended FIFO processes to reduce waste.

Sortation Associate | Amazon | Oct 2019 - May 2022

- Processed and routed high-volume package flows under strict service timelines.
- Used RF scanners and mobile terminals to verify routing accuracy.
- Supported inbound unloading, outbound loading, palletizing, and freight operations.
